The following serial numbers were produced after the shutter change from 'hook' to 'crab' lock but remained at the Pre Feb 2011 (SNP425993) cabinet and refrigeration specification/build.

Please continue to use these web pages for general build details/ parts. However, if you require a new shutter assembly or keys please refer to the following models:

- FMSLIM90HSL (Sliver 'Crab' Lock Post 2011)

The shutter assembly and details shown on Pre 2011 pages will not be compatible.
